

- 2 June Elder Brother, CM & FSW drew Clarissa to the Office & she stayed all day & seemed to enjoy it.
- 5 DAB goes to Albany to see Dr. March about his eyes--"there appears to be something forming over his eyes."
- 9 Clarissa is taken to NF to stay a few days.
- 17 Stephen Wells (of SF) came & Emeline Clark went home with him to see if she could get over being homesick for SF.
- 18 Ministry Elders & Trustees have meeting regarding George Price getting patent for his "butter squasher."
- 23 FSW went to Albany to see the Drs. Swinburne & Hon to get their advice in regard to Elder Sister Abigail. There seems to be an enlargement of something next to the heart. (*meninges?*)
- 24 ARchibald McClure came about noon, hoped we would not be alarmed and think we were being taken by storm but there was quite a company coming for dinner (21 besides the babies). "We did the best we could under the circumstances." He brought 5-6 quarts of nice ripe strawberries.
- 25 SB took the older sisters in the nice covered wagon for a ride & to Albany for dinner--ZEviah Spier<sup>74</sup>, Eunice Johnson<sup>77</sup>, Anna Cole, Mercy Harwood<sup>45</sup> & PAB<sup>63</sup> went to take care of the others if needed.
- 1 July Some of the neighbors come to see Clarissa. She had gone for a short ride on the Sabbath, they saw her & now they brought her some things they thought would be a comfort.
- 3 Gordon HORTon wants to be taken back.
- 4 Elder Brother & DAB are putting a partition in the mill to give DAB a place to do printing.  
While the family was in their evening meeting, Clarissa had another stroke. Jannet was the only one with her & thought she was dead but she came to & remain in great distress thru the night. Azuba Train quite low but can help herself. Clarissa could not speak though she tried very hard.
- 8 Sylvester & Richard Dean came from NF with Emily Curtis. "She is bound to Richard & they hardly know what to do with her as her parents are not in Albany. They give her half-sister \$1.00 to keep her until Friday. Azuba Train died.<sup>(40)</sup> Has not been able to eat for 2 weeks. "She felt quite comfortable, did not want but little done nor did not want to see but few."
- 9 Azuba's sister, Lydia Culver, came with her husband, children & grandchildren (6 in all) just at the commencement "of retiring time." Had not heard Azuba was ill so it was a great shock but they were invited into the funeral & saw the corpse & went to the grave. Elizabeth Train came & saw them & they went to WF & saw David Train.  
Ann Lowe died at WF. (*48 yrs*)
- 10 Channing got a place for Emily Curtis in Albany with George Young to stay for the present.
- 14 Clarissa "was released from all her earthly sufferings" about 5 p.m. (*65 yrs*)
